

# EZ GO Serial Numbers

## **Locating your serial number and manufacturers code**

**Prior to 1976 the number is under the driver seat on the fender skirt, but will not help you determine the exact year.**

**After 1976 the number is under the passenger side dash board**

**The arrangement of the Manufactures Code begins with a letter and the last 2 digits are the year. Example: J0185 is a 1985.**
